

LOW COST alternative to Viagra® !

Five tablets of Sildenafil 20mg
contains the same amount of active ingredient as a Viagra® tablet.

10 Viagra® (Sildenafil) tablets.....\$ 399

10 Sildenafil 100mg doses (Fifty 20mg tablets).....\$ 80
plus **FREE** Priority Mail Delivery!

Why is Sildenafil So Inexpensive?

Sildenafil is the FDA-approved generic version of Revatio® 20mg.
We have negotiated volume generic pricing on Sildenafil 20mg tablets.
Sildenafil is the active ingredient in Viagra®, but in a different strength.

Free Priority Mail: Easy as 1-2-3!

1. Ask your prescriber to send us the prescription below. You may want to print this page to give your prescriber.
2. After we receive the prescription, we will call you to learn of any drug allergies or medical conditions. We will also collect payment information.
Call us if you do not receive our call within two days.
3. We send the prescription via FREE Priority Mail, to arrive discreetly in 1-2 business days. (Free mailing for 50 tablets or more; we only mail to addresses in Washington State)

Prescribers:

We have seen prescriptions by phone, fax, mail, or E-Script as follows:

Sildenafil 20mg #50

Take 1-5 tablets as needed for sexual activity.

Avoid pharmacy calls to your office --

We **CANNOT** substitute Sildenafil 20mg for any prescription written for Viagra®.

Our pharmacists are happy to answer your questions – call anytime!

Sildenafil is the FDA-approved generic for Revatio®. Technically, there is no FDA-approved generic for Viagra®.
